

And the Winner is... Manufacturing

"The Chicago Manufacturing Center salutes...productivity, people, technology, growth and investment in company and community. In this Year of the Small Manufacturer, the Chicago Manufacturing Center, Crain's Chicago Business, and the Illinois Institute of Technology shine the spotlight on...outstanding manufacturing companies."

With those words, Arbortech Corporation was deemed worthy to have been among the companies selected for this honor. We appreciate the consideration given to us by C.M.C. and will continue to work hard to live up the standards implied by such recognition.
